

Lee and Jenna

(AND PERRY, TOO!)

Hello

We're Lee and Jenna. We're truly grateful for the opportunity to share our story with you and deeply appreciate the love and care you're investing in this decision for your child. Our journey to parenthood has included challenges with infertility, but our hearts have always been open to adoption.

We've dreamed of becoming parents and are excited about the possibility of welcoming a child into our home. Our dog, Perry, is also excited to welcome a little one into our family!

We believe in the importance of openness in adoption and are committed to creating a loving and supportive environment. Thank you for considering us as potential parents. We look forward to learning more about you and your hopes for the future!

About Us

We met in a marketing class at Minnesota State University, Mankato, in the fall of 2015 and both graduated in the spring of 2017. As graduation approached, we faced a pivotal decision about where to start our lives together. We chose southeastern, SD, to be near Jenna's family. Her sister and brother live nearby, with her parents not too far away. Jenna's siblings each have two young kids. We love spending time with them, taking our nieces to a water park as pictured below. We married in July 2021 and have since built a life full of family moments, daily walks with our dog Perry, summer sand volleyball, and board game nights. We value deep conversations and open communication, which strengthens our relationship.

About Jenna

I grew up in a small town in southwest Minnesota with an older sister and brother. My childhood was filled with rural life, outdoor play, and time spent with family and friends. I graduated from Minnesota State University, Mankato, with a degree in accounting, and now work as a CPA at a public accounting firm. Recently, I've embraced a more minimalistic lifestyle, focusing on health and sustainability. This includes starting a vegetable garden with Lee. I also enjoy cooking, trying new recipes, thrift shopping, and sewing.

Lee's excited face about the pillowcase I sewed for him!

Playing sand volleyball with friends is my favorite summer activity.

Cheering on the Milwaukee Bucks at the NBA Finals.

About Lee

I grew up in Milwaukee, Wisconsin, with a younger sister and an older half-brother. My childhood was filled with sports, family time, and friends. I played baseball, basketball, and soccer through high school and am a passionate fan of Wisconsin sports teams. I even worked for the Milwaukee Bucks during high school and have accumulated a trove of sports memorabilia. I graduated from Minnesota State University, Mankato, with a degree in Sports Management and a minor in Marketing. Now, I work in logistics, which I find rewarding. In my free time, I enjoy participating in a bowling league with friends, attending as many sports games as possible, and exploring new restaurants.

Eating lobster by the coast in Cape Cod, Massachusetts.

Our Family and Home

After living in Jenna's brother's basement, we moved into our new home in 2022.

Sometimes there's a bit of rivalry between Lee's family from Wisconsin and Jenna's from Minnesota.

Our backyard includes a covered deck and a fenced-in yard, providing a great space for outdoor activities. We also live in a friendly neighborhood with a couple of parks within walking distance.
